If the space provided below is insufficient, you may attach additional pages as necessary.

- Representative Zooey Zephyr violated Montana's campaign finance law by fund raising for and paying expenses related to a 2024 campaign for House District 95 while his 2022 campaign for House District 100 was still active. (See FOIA information attached and CERS data)
- The 2024 campaign registration was filed but never approved due to the 2022 campaign being active. (See FOIA information attached)
- Rep. Zephyr was informed that there could be no fund raising or expenditures for the '24 campaign until '22 was closed out. (See FOIA information attached).
- Rep. Zephyr raised and expended funds related to the '24 campaign despite this restriction. This includes the fact that there are no in kind donations listed or valued despite traveling the country and speaking. (See FOIA information attached and CERS data)

Subject: [EXTERNAL] FOIA Request - Rep Zephyr

Hello,

I am requesting to see any communications between the COPP and Representative Zephyr's campaign(s). I was going through candidate information on the website and came across Rep Zephyr's 2022 campaign but also that there is also a filing for the 2024 campaign now as well. Given Zephyr's extensive amount of travel all over the country recently, I have a hard time believing that there is no fundraising happening for the 2024 race when it doesn't appear that the 2022 race has been closed out.

For this request, I'd also request any emails that include any staff or other agency that may have communicated to the COPP concerning Zephyr's 2022 and 2024 campaign work.

Digital files and emails are sufficient.

Thank you
Darin

Importance: High

Just a reminder that the 2024 registration you have submitted will not be approved until your 2022 campaign has been properly closed and, therefore, expending or receiving funds for a 2024 campaign are prohibited until the 2022 campaign is closed.

Once all 2022 expenditures have been accounted for, please disburse any surplus funds (SO as to bring the account to a zero balance) and THEN close the campaign account OR close this campaign account and submit a C118/C118C form to account for the expenditure of the surplus funds after submitting your final C5 report.

You DO have a debt to the Billings Times ($278.93 on 04/06/2022 that has not yet been paid – that will need to be paid under the "payments" tab on the applicable report in which you paid this debt).

Good morning, Zooey!
There was a C5 due 10/5/21.
If there has been no activity, it is as easy as – signing into CERS – clicking beside Zooey's name / FINANCE REPORTS – then ADD NEW C5. Once that pops up, the reporting dates will be 9/01/21 – 9/30/21. Then hit the FILE tab on that page (right under the "9/30/21") date you enter in. Click the certification box / CERTIFY and FILE.

The next quarterly report will be due 1/5/22 – reporting period will be 10/1 – 12/31/21. To start that C5,– ADD NEW C5. Enter in the reporting period dates. Now click **SAVE!** !!! This is the working report from 10/1 – 12/31/21. You can go in any time to enter a transaction that occurs. Good Afternoon Emily,

I am attaching the email that I sent Representative Zephyr on 05/22/23 when a 2024 registration was created.

The 2024 registration has NOT been approved by COPP as the 2022 campaign is still open.

A candidate may NOT have two campaigns open at the same time and as the email sent on 05/22/23 clearly states, Representative Zephyr was instructed NOT to receive or expend funds for 2024 until the 2022 campaign had been closed.

Feel free to contact me with any questions you may have concerning the process which requires candidates to close "old" campaigns BEFORE opening a new campaign.

Hi folks,

I'm reaching out in regards to Rep. Zooey Zephyr's candidate accounts. She has an old one from last cycle that had some recurring payments on it so I'll need to file a closing report there. She also has a new candidate account that is the current and active one that will reflect all her recent contributions and disbursements.

Is this how you'd recommend me moving forward with the old account? I don't want it to flag anything that she filed two candidate accounts so I thought I'd reach out just to double check how to proceed!

Thanks, y'all!

Hello Amy!

I just wanted to follow up on Deb's response to give you a more succinct answer as to where we are with 2022 Candidates.

Any 2022 candidate who had an "open" campaign as of 03/05/23 has a report due at that time. When that report is late, I follow up with a reminder to submit that report ASAP and continue to send reminders until the report is submitted or some other action is taken.

For those candidates who submitted their March report, the and keep their 2022 campaign "open", their next report is due 09/10/23.

For those candidates who SUBMIT a 2024 registration without closing their 2022 campaign, I send them an email letting them know that their 2024 registration will NOT be accepted UNTIL they close their 2022 campaign.

Zooey attempted to open a 2024 registration with our office on 05/22/23 which I promptly sent an email stating the 2024 registration would NOT be accepted until the 2022 campaign account was closed.

At this time, the 2022 campaign remains open for Zooey and we have not accepted the 2024 campaign registration.

Additional Information To Support A Campaign Finance Complaint Against Rep. Z. Zephyr

The following timeline and information are compiled from two sources.

1. The Montana Campaign Electronic Reporting System (CERS) website.

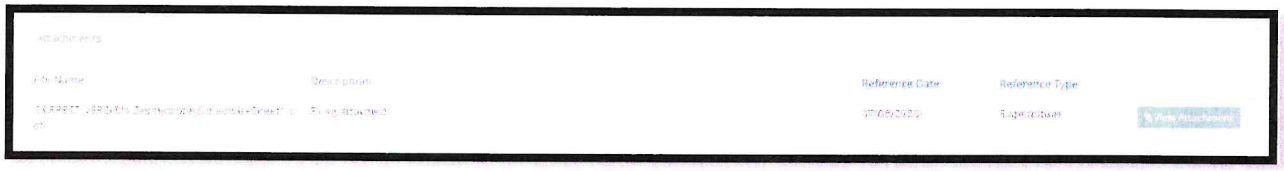
2. A fulfilled FOIA request from the Commissioners of Political Practices (COPP). The electronic version of the FOIA information is attached.

April 30, 2023

The first reported donations received for Zephyr's '24 campaign were on April 30th per the hard copy filing accessed July 19, 2023, but posted to the candidate's account July 5, 2023. The 2022 campaign was still open. A search of the hard copy report showed 1,734 donations in April.

May 2023 A search of the hard copy filing showed 792 donations in May.

June 2023 A search of the hard copy filing showed 78 donations in June.



May 22, 2023

- Zephyr created the 2024 campaign registration but was not approved due to an open '22 campaign.

16:47 Cheryl Wilson (COPP Operations Specialist) emailed Zephyr to tell Zephyr that the '24 registration would not be approved until the '22 campaign was closed. Ms. Wilson outlines Zephyr's existing '22 campaign debts and the process to close out the '22 campaign.

2,586 known donations came into Zephyr's '24 campaign in April-May.

June 22, 2023

11:26 Ms. Amy Hanson of the Associated Press sent an email to ccphelp@mt.gov wondering if legislative candidates for the '24 election would have been required to file campaign finance reports yet. The email came from: AHanson@ap.org

11:34 Ms. Wilson emailed Ms. Hanson to educate her about reporting requirements for any '24 campaign activities.

13:14 Ms. Hanson sent an email reply to cpphelp@mt.gov saying she was looking for Zephyr's '24 filing that she thought was due for close out on June 20, 2023.

13:41 An email was sent from the cpphelp@mt.gov (Deb) account to Ms. Hanson to tell her that Zephyr has not closed out the '22 campaign and that this must be done before a '24 campaign could be approved.

June 26, 2023

08:51 Ms. Wilson sent another email reply to Ms. Hanson to explain the process for closing out reports from the '22 campaign. She also discussed how that affects a candidate's ability to open a '24 campaign.

June 27, 2023

13:48 Emily Harris at Abbey Lee Cook emailed cpphelp@mt.gov to ask about closing the 22 account while mentioning that Zephyr has a "current and active" account to reflect "all her recent contributions and disbursements."

15:55 Ms. Wilson emailed Ms. Harris and attaches the May 22 email that was sent to Zephyr. Ms. Wilson clearly states that the '24 registration is NOT approved, and the '22 campaign is still open. Ms. Wilson also tells Ms. Harris that Zephyr was instructed not to receive or expend funds for '24.

15:58 Ms. Harris emails Ms. Wilson to tell her she was unaware of the email sent to Zephyr. Ms. Harris thanks Ms. Wilson and says she will take care of it.

78 known donations came into Zephyr's '24 campaign in June.

The following timeline and information are compiled from two sources.

1. The Montana Campaign Electronic Reporting System (CERS) website.

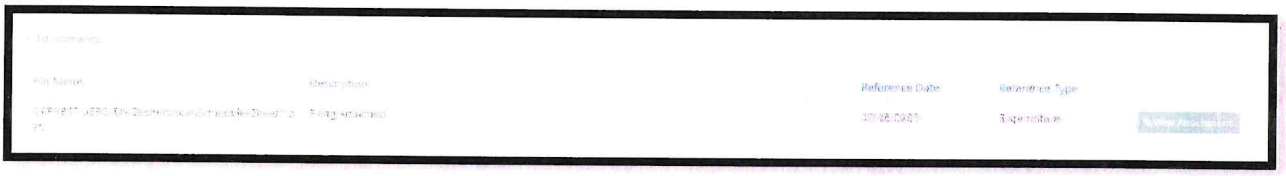
2. A fulfilled FOIA request from the Commissioners of Political Practices (COPP). The electronic version of the FOIA information is attached.

April 30, 2023

The first reported donations received for Zephyr's '24 campaign were on April 30th per the hard copy filing accessed July 19, 2023, but posted to the candidate's account July 5, 2023. The 2022 campaign was still open. A search of the hard copy report showed 1,734 donations in April.

May 2023 A search of the hard copy filing showed 792 donations in May.

June 2023 A search of the hard copy filing showed 78 donations in June.



May 22, 2023

- Zephyr created the 2024 campaign registration but was not approved due to an open '22 campaign.

16:47 Cheryl Wilson (COPP Operations Specialist) emailed Zephyr to tell Zephyr that the '24 registration would not be approved until the '22 campaign was closed. Ms. Wilson outlines Zephyr's existing '22 campaign debts and the process to close out the '22 campaign.

2,586 known donations came into Zephyr's '24 campaign in April-May.

June 22, 2023

11:26 Ms. Amy Hanson of the Associated Press sent an email to ccphelp@mt.gov wondering if legislative candidates for the '24 election would have been required to file campaign finance reports yet. The email came from: AHanson@ap.org

11:34 Ms. Wilson emailed Ms. Hanson to educate her about reporting requirements for any '24 campaign activities.

13:14 Ms. Hanson sent an email reply to cpphelp@mt.gov saying she was looking for Zephyr's '24 filing that she thought was due for close out on June 20, 2023.

13:41 An email was sent from the cpphelp@mt.gov (Deb) account to Ms. Hanson to tell her that Zephyr has not closed out the '22 campaign and that this must be done before a '24 campaign could be approved.

June 26, 2023

08:51 Ms. Wilson sent another email reply to Ms. Hanson to explain the process for closing out reports from the '22 campaign. She also discussed how that affects a candidate's ability to open a '24 campaign.

June 27, 2023

13:48 Emily Harris at Abbey Lee Cook emailed cpphelp@mt.gov to ask about closing the 22 account while mentioning that Zephyr has a "current and active" account to reflect "all her recent contributions and disbursements."

15:55 Ms. Wilson emailed Ms. Harris and attaches the May 22 email that was sent to Zephyr. Ms. Wilson clearly states that the '24 registration is NOT approved, and the '22 campaign is still open. Ms. Wilson also tells Ms. Harris that Zephyr was instructed not to receive or expend funds for '24.

15:58 Ms. Harris emails Ms. Wilson to tell her she was unaware of the email sent to Zephyr. Ms. Harris thanks Ms. Wilson and says she will take care of it.

78 known donations came into Zephyr's '24 campaign in June.
