## ATTENTION HEIGHTS RESIDENTS

**Do you want to continue to have a say in the cost of your water?  
Or do you want the City of Billings to dictate the price of your monthly water usage?**

**DON'T BE INFLUENCED BY THE NEW PEOPLE RUNNING FOR THE HEIGHTS WATER BOARD.**

The present board members: **Dave Graves and Brandon Hurst** have been doing a great service representing our community. They deserve to be re-elected. They have supported our rights to negotiate, in good faith, with the City of Billings. We as a community, currently have arbitration rights if the City of Billings over charges us for our water. The new candidates running have made it clearly known, they are supportive of the City of Billings taking over the County Water Board. The candidates: Doug Kary and Frank Ewalt are willing to forfeit our rights as a community to negotiate with the City of Billings regarding our water rates.

;

**DAVE GRAVES AND BRANDON HURST**, if you want a say in the cost of your water.

At the Board Meeting on April 12, it was stated that Billings Water Board is proposing to increase the water rates at 49%

**WE NEED YOUR VOTE MORE THAN EVER!!!!**
