**GOAL 6: DISCUSS ROLE OF COPP**

**GOAL 6 OBJECTIVES & STATUS**

<p>The COPP has significant responsibilities in regard to campaign finance, ethics, and lobbying. Those responsibilities include the implicit responsibility of making its work transparent for access by the press and public. The COPP needs certain additional resources necessary to fulfill those responsibilities. A discussion needs to occur between the COPP and policy makers as to whether or not those needed resources should be provided the COPP. The objectives are:</p> <ol style="list-style-type: none"> <li>1. Discussion of the need for an in-house accountant, given the COPP’s inspection, exam and enforcement responsibilities.</li> <li>2. Discussion of the need for enhancement of the CERS system to allow for further transparency, both in access and reporting (including the addition of lobbyist reports in such as system)</li> <li>3. Continue to work with the Legislature on issues such as sexual harassment, reporting of such complaints, and a process to investigate and make determinations</li> </ol>	<p>Target: 6/23; ongoing</p>
