Andrea Olsen, candidate for House District 100 in 2016 has violated MCA13-1-101 by using campaign funds for a non-campaign related expense and ARM 44.11.502 by failing to report the purpose, subject matter and quantity of election materials.

1. Violation MCA 13-1-101(18)(B)(ii)

The 1/14/2016-05/03/2016 c5 report (exhibit 1) lists an expenditure of \$15.00 to Secretary of State of Helena, MT Online described as "Filing Fee".

In the case of Wemple V. Connell COPP-2014-CFP-041, the commissioner found campaign funds may not be used to pay campaign filing fees because it did not fit the definition per MCA 13-1-101(18)(B)(ii)

On February 5, 2016 then Commissioner of Political Practices Jonthan Motl issued an advisory opinion (exhibit 2) specifically outlining the illegality of using campaign funds for such an expenditure and the steps necessary for candidates to correct such action if they had already used campaign funds for such an expenditure.

Candidate Olsen failed to comply with the Commissioners instructions on this or any subsequent C5 reports.

ARM 44.11.502 states:

EXPENDITURES, REPORTING

(1) A campaign expense paid personally by an individual in his or her own campaign is always coordinated with, and is a campaign expense of, the campaign that must be reported and disclosed as an expense by the campaign in the same manner as an expense paid through the campaign depository account.

(2) An obligation to pay for a campaign expenditure is incurred on the date the obligation is made, and shall be reported as a debt of the campaign until the campaign pays the obligation by making an expenditure.

(3) An expenditure is made on the date payment is made, or in the case of an in-kind expenditure, on the date the consideration is given.

(4) The date of each expenditure shall be reported in the reporting period during which it is made.

(5) Expenditures made from the petty cash fund need not be reported, except that an accounting shall be maintained pursuant to ARM 44.11.409.

(6) All expenditures must be supported by a contemporaneous written agreement, invoice, billing statement, or similar documentation appropriate to the transaction that describes the services provided, the billing period identifying the specific dates on which services were provided, an itemized basis for the payments made, and other pertinent information.

(7) For purposes of the disclosure requirements of 13-37-229 and 13-37-232, MCA, the "purpose" of each expenditure as reported on the commissioner's campaign finance reporting forms shall specifically describe the purpose, quantity, subject matter, as appropriate to each expenditure, and must be detailed enough to distinguish among expenditures for similar purposes. For example, two expenditures for direct mail advertisements should not both be reported as "Flyers."

2. Violation ARM 44.11.501(7)
The 06/24/2016-10/04/2016 c5 report (exhibit 3) lists a debt of \$914.84 to Artcraft Printers of Bozeman, MT described only as "walk card printing & Shipping" this description does not meet the standard set forth in ARM.
3. Violation ARM 44.11.501(7)
The 06/24/2016-10/04/2016 c5 report (exhibit 3) lists a debt of \$58.984 to UC Bookstore of Missoula, MT described only as "paper" this description does not meet the standard set forth in ARM.
4. Violation ARM 44.11.501(7)
The 06/24/2016-10/04/2016 c5 report (exhibit 3) lists a debt of \$175.00 to Leslie Van Stavern Millar II of Missoula, MT described only as "Invites, Art Use, and Entertainment" this description does not meet the standard set forth in ARM.
5. Violation ARM 44.11.501(7)
The 10/05/2016-10/27/2016 c5 report (exhibit 4) lists an expenditure of \$972.50 to Westridge Creative of Missoula, MT described only as "MAILING to All Absentee Voters in HD 100" this description does not meet the standard set forth in ARM.
6. Violation ARM 44.11.501(7)
The 10/28/2016-11/28/2016 c5 report (exhibit 5) lists an expenditure of \$74.33 to Legislative Services of Helena, MT described only as "Supplies" this description does not meet the standard set forth in ARM.
7. Violation ARM 44.11.501(7)
The 10/28/2016-11/28/2016 c5 report (exhibit 5) lists an expenditure of \$337.00 to USPS of Missoula, MT described only as "Postage" this description does not meet the standard set forth in ARM.
8. Violation ARM 44.11.501(7)
The 10/28/2016-11/28/2016 c5 report (exhibit 5) lists an expenditure of \$635.00 to Westridge Creative of Missoula, MT described only as "Mailing" this description does not meet the standard set forth in ARM.

Exhibit 2

COPP-2016-AO-001
Re: Candidate Filing Fees as Campaign Expenditure

Dear Ms. Welch:

I write in response to your inquiry of January 19, 2016 requesting the Commissioner of Political Practices' (COPP) advisory opinion regarding a candidate's use of campaign funds to pay the filing fee to run for office.

You requested a COPP advisory opinion regarding the following issue:

- (1) It was fairly common for candidates to pay their filing fee from campaign funds in the past. Do candidates have to retroactively pay their filing fee and refile their campaign finance reports to correct the error from prior campaigns?

ADVISORY OPINION

The Commissioner is limited to issuing an advisory opinion that addresses an ethics or campaign practice issue. See 44.10.201 ARM.

SHORT ANSWER

The Commissioner will not require that candidates correct the payment of filing fees from their campaign accounts for candidacies on the ballot prior to the 2016 election cycle. For candidates on the 2016 ballot, the correction should be made and instructions are set out below.

DISCUSSION

As discussed extensively in *Wemple v. Connell*, COPP-2014-CFP-041,¹ the Commissioner's office had a historic practice of allowing candidates to use campaign funds to pay their candidate filing fees to the Secretary of State or local election administrator. In the *Wemple* decision, the Commissioner drew a line in time and determined the following:

For the purposes of 2016 elections and thereafter the Commissioner determines that a candidate may not use campaign funds to pay the candidate's filing fee and any existing Decision or policy of the COPP to the contrary is hereby changed in conformance with this determination.

Id., at 7.

In a footnote to that determination, The Commissioner recognized such payments had been historically allowed and thus excused the candidate and "all other similarly situated candidates, from any campaign practice violation based on this particular campaign practice". *Id.*, n. 3.

Candidates for office from 2016 onward are therefore required to pay filing fees from their personal funds, rather than out of their campaign account. Further, candidate payment of the filing fees may not be considered a loan to nor repaid from campaign funds.

This correction to the prior practice was made because of statutory language explaining that an "[e]xpenditure does not mean... payments by a candidate for a filing fee or for personal travel expenses, food, clothing, lodging, or personal necessities for the candidate and the candidate's family." Mont. Code Ann. § 13-1-101(17)(b)(ii). If filing fees cannot be an expenditure of the campaign, then a candidate may not use campaign funds to pay their filing fees with the Secretary of State or county election office.

The COPP has recently become aware that several candidates did not know of this correction in practice when they filed for office in 2016 with the Secretary of State or with their local election administrator and thus paid the filing fee with campaign funds. The COPP has adopted a procedure by which a candidate who mistakenly paid their filing fee from their campaign funds should remedy the situation.

- (1) The candidate should make a cash or check contribution from the candidate's personal funds to the candidate's own primary election campaign for the entire

¹ <http://www.politicalpractices.mt.gov/content/2recentdecisions/WemplevConnellDecision2pp.5-7>.

amount of the candidate filing fee and report the contribution on Form C-5, Schedule A, Part 1 or tab "Candidate"; and

- (2) The candidate should then report the payment of the filing fees to the proper election official as an Expenditure on Form C-5, Schedule B, Part 2 or tab "Other Expend". Under "Purpose", the candidate should indicate that the expenditure was for the candidate filing fee and was "made from campaign account, corrected by candidate contribution to campaign."

CONCLUSION

Given the change in interpretation by the COPP candidates are excused from any campaign finance reporting or campaign practice consequences for any election prior to 2016. Candidates are further excused from any obligation to correct campaign finance reports prior to 2016. Candidates for the 2016 election cycle who follow the above procedure for correction of payment of filing fees from the campaign account will be in compliance for 2016.

LIMITATIONS ON ADVISORY OPINION

This letter is an advisory opinion based on the specific written facts and questions as presented above. This advisory opinion may be superseded, amended, or overruled by subsequent opinions or decisions of the Commissioner of Political Practices or changes in applicable statutes or rules. This advisory opinion is not a waiver of any power or authority the Commissioner of Political Practices has to investigate and prosecute alleged violations of the Montana laws and rules over which the Commissioner has jurisdiction, including alleged violations involving all or some of the matters discussed above.

Sincerely,

Jaime MacNaughton
Attorney for the
Commissioner of Political Practices

I agree with this Advisory Opinion and afford it the full weight of the Commissioner's authority.
