RE: Vote No Signs Glendive, MT

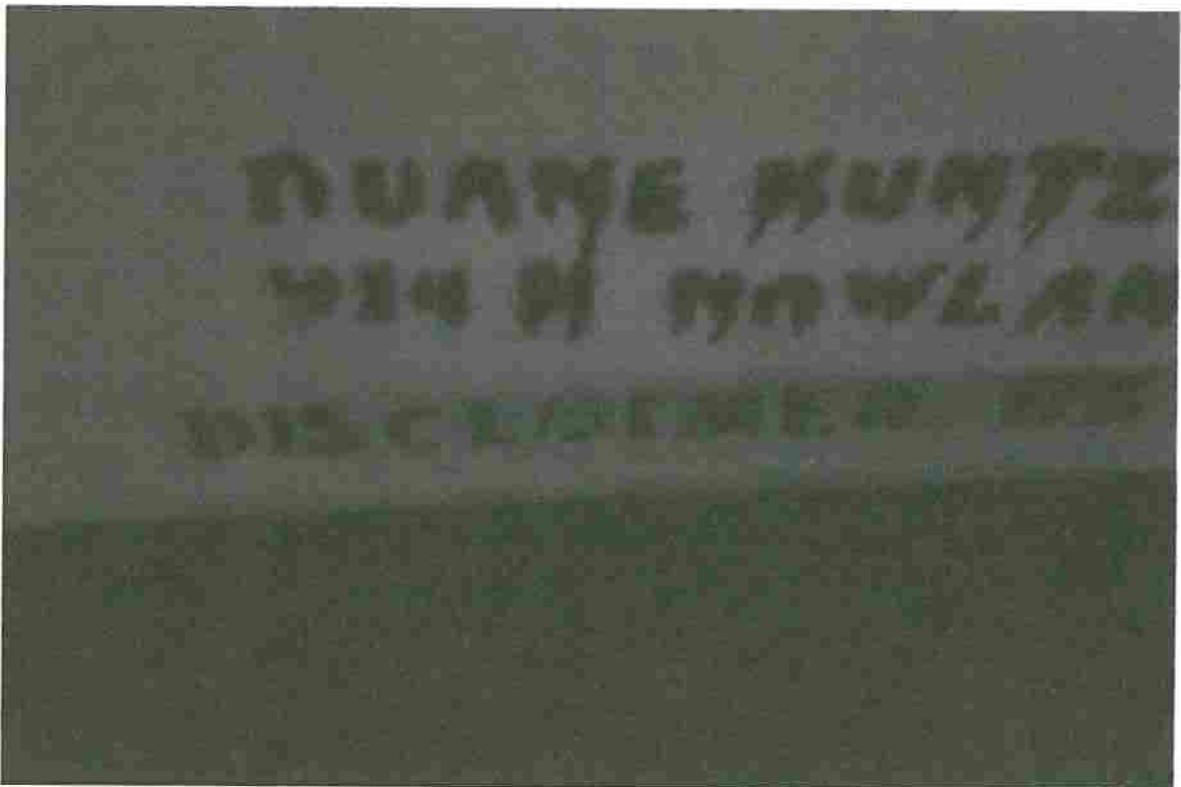

To Whom it May Concern

Citizens are concerned about the "Vote No" campaign signs displayed around town. These signs have had their disclosures painted over and re-written. Even though the signs are all identical the disclosures are constantly changing and the contact information varies depending on which sign you look at in each area of town causing confusion on who to contact regarding these signs. These signs are also lacking information regarding who "paid for" these. Its troubling that anyone can make campaign signs over a ballot issue without having to go through the proper channels of registering as a committee and documenting all information. We would appreciate these signs being investigated.

Sincerely,

Becky Titus, Resident
