Complaint O'Donnell vs McMurtry

Statement of facts

Through 7 filings of required C-5 documents, Candidate McMurtry has apparently failed to list expenditures for several items she has multiple times self referred to in Facebook postings and of which examples are included herein.

Specifically, there is apparently no expenditure for campaign (yard) signs, handout literature, at least one banner (pictured) and at least one other sign (pictured). I believe this is a violation of MCA 13-37-206

One door to door handout piece lacks political party designation (pictured). I believe this is a violation of MCA 13-35-225.

Included with this complaint and to demonstrate the truthfulness of the charges are:

Copies of all 7 McMurtry C-5 posting showing dates of filing and the expenditure section.

Copies of 2 fliers McMurtry has distributed door to door literature for which there is no expenditure listed. Complainant has originals of two of these which were given to him by those who received them at their homes (as opposed to at a lit table for instance) proving that they were indeed distributed.

Copy of door to door flier without party designation.

Copies of McMurtry Facebook postings on multiple occasions (dates included) proving knowledge of use and distribution of campaign (yard) signs for which there is no reported expenditure.

References and pictures of other campaign materials not listed in expenditures such as:

1. At least one banner
2. A poster

In my experience:

- 1: yard signs are a minimum of \$3.00 each
- 2: the size and paper stock printing costs of the hand outs fall into probable cost of \$500/1,000
- 3: the cost of the mailers (of which there are at least 4 it seems) would be about \$15,000 for 10,000.

I am so grateful for the volunteers that have done the lit drops so far. I have a new lit drop in the Poly Drive area, between 15th and 24th. Let me know if you can help. Letters to the Edit

Lit drop needed in the Heights. It's going to be south of Main Street & not Alkali Creek . Will need 7-8. I'm having new lit printed, so only be able to hit 2-300 houses until next week.

As I am (re) delivering campaign signs, someone suggested taking signs in at night. I know, 'what a pain', but it is a solution.

I will be replacing and delivering signs in the next week. Either sign up for one at McMurtry4PSC fb page or let me know that you want one. PM me your address if I don't already have it.

Sign update: The count is now 30 taken, but I have contacted police, stolen property and trespassing, and have friends with cameras trying to monitor signs

Valerie McMurtry (July 21, 2020)

So a little update on the case of the stolen signs. I've talked to city and landfill people. They are looking out for signs being dropped off. I will report as stolen property and trespassing to police. Some of the folks whose signs were stolen had surveillance cameras and they are checking them. If they see anyone taking the signs they will report to police. Not sure what else to do...

I will be hangin' with Red Lodge Dems on Saturday. If anyone is down there, stop by the Dem float, (no parade, just stationary floats). I will have lit, signs, & remittance envelopes for those most valuable donations.

For my friends and supporters who have expressed wanting a lawn sign, go to my website and sign up for one. I need a list so I know how many to print.
