Mr. Cook,

Please consider this my response to the complaint COPP-2022-CFP-003. First off, I appreciate the staff at the Commissioner of Political Practices of Montana providing excellent customer service to candidates and the public. Second, not recording my filing fee was unintentional, and I amended my campaign report on 4-4-2022, addressing this complaint. I appreciate your consideration of my explanation, though it is not an excuse. I did not deliberately violate the rules but, like many Montanans, work two jobs and have a family to care for as well. I also spend a great deal of time advocating for my constituents; therefore, this error was an oversight and I apologize. Please let me know if you have questions.

Thank you,
Mary Caferro
