COMMISSIONER OF
POLITICAL PRACTICES

Commissioner Mangan;

As you may be aware, an entity known as Advanced Micro-Targeting (AMT) has engaged in a signature gathering campaign on petitions to qualify the Green Party as a minor political party in Montana. This, despite the fact that the actual Montana Green Party has repeatedly and publicly condemned this gathering effort. Some group has funded these activities, which commenced in January of this year.

As you are also aware, § 13-37-602 MCA requires a signature gathering entity to certify an organization statement with your office within 5 days of making an expenditure. Neither AMT nor any other group funding this gathering effort has identified itself to your office. Accordingly, those funding this effort to place the Green Party on the primary ballot remain anonymous despite the recent changes enacted by the Montana legislature to achieve disclosure of this information.

It is respectfully requested that you conduct an investigation to determine the source of funds used to place the Green Party on the ballot, and to impose civil penalties upon the group accountable for the expenditures for failure to comply with Montana campaign financing disclosure laws.

Sincerely

Sandi Luckey
Executive Director
Montana Democratic Party
