I have received 4 calls to my office phone from the Crauford campaign. After the second call (message) I called the campaign headquarters and told them it was inappropriate to call a state employee's office to campaign + I wanted it to cease. Since then, I received another call, and told the caller that I did not want to receive any more calls. Today, Monday October 24, 2016, I had a message on my work phone, again, from the Crauford campaign. I don't know when the call was made, but I received it today. This is annoying, disturbing and inappropriate.
