LOCAL DEM'S OPPOSED

The property owners "Bill of Rights" was adopted over the loud and vocal opposition of local Democrat's, including the two Democrat candidates to the County commissioner GIL JORDON & CLARA KEARS-LACHAPPELLE.

One has to wonder exactly what they found objectionable to these newly adopted requirements? Is it that county property owners will now be afforded the right to "due process"? Is it that local property owners will now receive "fair and equal treatment"? Perhaps it is that the county has professed "a strong commitment to protecting individual property rights." Perhaps also, these Democrats JORDON & LACHAPPELLE need to be asked, When running for a trusted position of Flathead County Commissioner, the public has a right to know.

Our Mission

AMERICAN DREAM MONTANA

"THE AMERICAN DREAM - THE AMERICAN WAY"

ADM is a Montana non-profit public benefit corporation formed to be a partnership of Montana business, industry and citizens. **ADM** is concerned with the increasing trend on the part of State and local governments to use unnecessary and restrictive land use policy detrimental to free enterprise and private property and home ownership.

ADM is concerned with the undue influence of well organized and well funded non-profit "green" groups in the State of Montana and the success of these groups in interjecting their destructive, anti-capitalist, anti-property rights, SMART GROWTH, political agenda, into our political system.

Reasonable and productive Montanans need steady and informed representation, when land use issues central to their future and future well being are considered by our public officials and policy makers.

Therefore, **ADM** lists as it's goals and mission statement:

ADM will support and encourage public policy on the State and local levels of government that recognize, respect and protect the rights of Montana's private property and business owners.

ADM will support and encourage public policy that promotes affordable private property and home ownership, creating stakeholders in Montana's future.

ADM will support and encourage public policy that spurs positive economic development for our State and communities, and provides economic opportunity for all Montanans.

ADM will actively oppose any public policy or policy's that are counterproductive to these goals.

ADM will use its resources to support other groups or organizations that share these goals. **ADM** will educate the public and public policy makers as to the importance of these goals to a prosperous, free and happy citizenry. And,
