RADIO SCRIPT – HOUSE DISTRICT 63

STATE OF MONTANA  
COMMISSIONER OF  
PUBLIC PRACTICES

Two candidates for the Montana Senate. Two very different philosophies.

2010 OCT -4 A 10: 04

As a legislator, J.P. Pomnichowski voted No to reduce taxes for small businesses to help create more jobs.<sup>1</sup>

Pomnichowski opposed tougher regulations on medical marijuana.<sup>2</sup> She even opposed a measure to reduce red tape that is holding up job creation.<sup>3</sup>

In fact, Pomnichowski's only notable effort last year was to help pass the government healthcare takeover that will result in higher costs and more American debt.

Tom Burnett sees things differently. He'll work to reduce the tax burden on homeowners and small businesses to create more jobs. Burnett opposes Obamacare and believes government over-reach is holding back our economy.

In this race for state legislature, the difference is clear. Bozeman needs new jobs and economic growth, not more government. Elect Tom Burnett, the clear choice for Bozeman.

Paid for by Montanans for Better Government, Lorna Kuney Treasurer. Box fifteen ninety eight, Helena, five nine six two four.
