Hi Chris and Scott,

I have one more attribution to register with you -- campaign hats which didn't have enough space to print the formal attribution large enough to read with the logo and space constraints.

Attribution statement: Paid for by Craske for Council, PO Box 7362, Missoula, MT 59807, Barabara Berens, Treasurer

Hats: 25 campaign logo hats, distribution beginning July 31 through the end of the campaign.

The expenditures for these items will be disclosed as part of the reporting for the Craske for Council campaign in Missoula.

Thank you so much,
Betsy

Thank you, Scott. I have no substantive additions. To the extent my approval is required, I reviewed this particular matter and approve. I appreciate your time on this and I appreciate Betsy addressing this appropriately as well.

Betsy,

Thanks for sending this. I will post the provided "paid for by" attribution statement and related information for this sticker and button material to COPP's agency website today (on our [Attribution Information](#) page, specifically- I have attached a PDF of how this information will appear on our agency website), so that it is publicly available. I have Cc'd Commissioner Gallus on this message in case there is anything he would like to add.

Hello!

I am submitting the following attribution statement pursuant to MCA 13-35-225(3) for the stickers and buttons described below, which are too small to contain the attribution statement. A photo is also attached. The expenditures for these items will be disclosed as part of the reporting for the Craske for Council campaign in Missoula.

Attribution statement: Paid for by Craske for Council, PO Box 7362, Missoula, MT 59807, Barabara Berens, Treasurer

Sticker: 50 2x2 circle stickers, distribution will begin Tuesday, July 29 and continue through November 4, 2025

Button: 100 2.25x2.25 circle buttons, distribution will begin Tuesday, July 29 and continue through November 4, 2025

Please let me know if you have any questions or need any additional information!

Thanks,

Betsy Craske
