David,

Correct. We would request that you provide both the full “paid for by” attribution statement and quantity information via email.

So, in other words, can I just email you that language?

David,

Thanks for reaching out. Pursuant to MCA [13-35-225\(3\)](#), you do need to provide COPP with the full relevant “paid for by” attribution statement for the card material you have described. We would also request you provide the quantity of cards purchased and distributed. Once that information is provided, COPP will post it to our website, so that the “paid for by” attribution statement is publicly available.

I hope this helps! Please feel to contact me with any questions about Montana’s “paid for by” attribution requirements- (406) 444-4627 or scook3@mt.gov.

To whom it may concern:

Hello! I’m running for Gallatin County Commissioner this Fall. In accordance with MCA 13-35-225-3, I am submitting a copy of a card that I intend to distribute to the public that is too small to

conveniently include all of the required information included in the previous sections of this code. The card is 3.5" wide by 2" tall. Attached is a digital pdf of the card.

If this is insufficient and you need a hard copy, please let me know where to mail it.

Thank you,
David Dickey
