Hello COPP!

I hope this email finds you all well. I'm reaching out to submit attribution information for non-attributed materials. My campaign stickers are too small for a disclaimer so please record this accordingly.

Paid for by Emily Harris for Legislature  
PO Box 718, Helena, MT 59624  
Democrat

Please let me know if there's anything else you need from me. Thanks so much for all your work!
