Good morning COPP,

This email serves to notify you that on 7/29/24 Eric Albus purchased (100) Can Cooler Sleeves from Amazon. These were purchased by the candidate as an in kind loan to the campaign and properly disclosed on the report filed on 8/20/24. The design is attached. None have been distributed yet, they plan to begin handing these out this week.

The disclaimer was not included in the design, disclaimer should have been "Paid for by Eric Albus for HD 28, PO Box 289, Glasgow MT 59230. R"

Please let me know if you have any questions and confirm receipt of this email.

Best,
