Scott,

Thanks for your response.

The disclosure for the buttons is the following:

Paid for by Wicks for Montana
Democratic Candidate SD 36
Gayla Hess, Treasurer
PO Box 174
Anaconda MT 59711

Please let me know if I need to send this somewhere else.

Thanks!

Jessica,

Thanks for reaching out. While in this case each material is too small to fully include the 'paid for by' attribution statement, you do still need to provide that information to COPP. Pursuant to [13-35-225\(3\)](#), MCA, you will need to email COPP the relevant 'paid for by' attribution statement no later than "at the time of...public distribution". We will then post the attribution statement, along with the copy of the article provided in your original message (the pictures suffice to meet this requirement) to our website, so that it is publicly available.

Additional information regarding Montana's 'paid for by' attribution requirements is available on our website, [here](#). In addition, please feel free to contact us via telephone- 406-444-2942- or email- cpphelp@mt.gov or cppcompliance@mt.gov- with any additional questions you may have regarding Montana's attribution requirements you may have, for additional information, etc., as we are always happy to help. Thanks!

I had these buttons made and there wasn't enough room for the disclaimer. Is this ok? Can they be approved?

Thanks,
