Hello—

I'm writing because I am running for Mayor of Bozeman and two campaign materials were printed without correct attribution.

The Daily Poser Newspaper (picture attached) was printed without correct attribution.

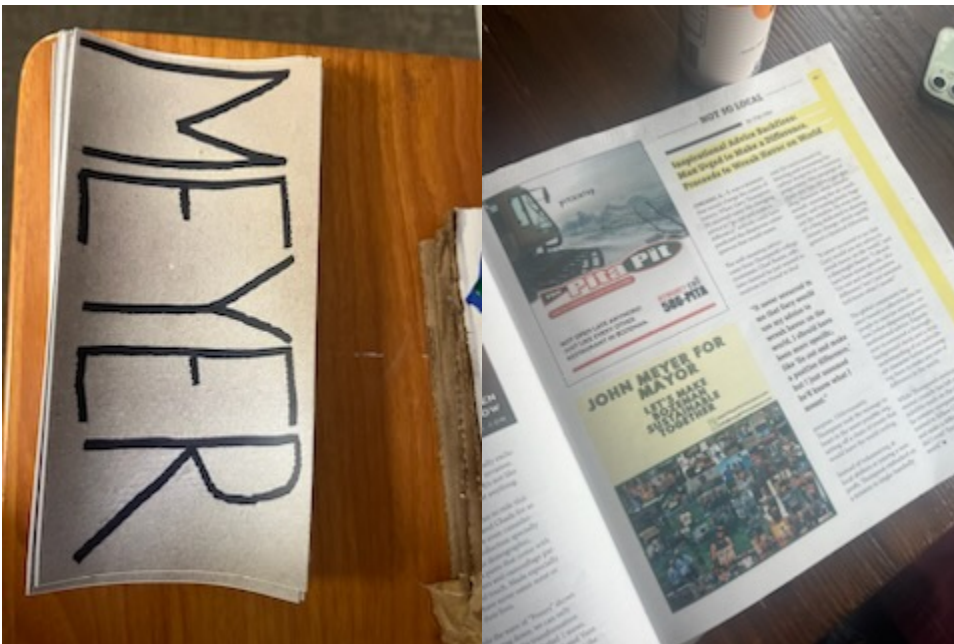

The correct attribution should have been:

Paid for by John Meyer for Mayor  
P.O. Box 311 Bozeman, MT 59771

Also, we printed 100 stickers without attribution, which should have been the same as above.

Thank you,

John

I'm running for Mayor to make Bozeman the most sustainable town on the planet.
