These business cards were **Paid For By Kathleen For Montana, P.O. Box 548, Bozeman, MT 59771 - Democrat**

We ordered 1,000 and will likely be distributing them through the end of the year.

Thank you.

Kathleen,

Thanks for reaching out. When the Commissioner determines that a material is “too small” to include the full attribution statement pursuant to MCA [13-35-225 \[archive.legmt.gov\]](#), the candidate/campaign is required to provide the full statement, pursuant to (3). COPP additionally requests that the quantity/amount of items distributed and the date/s of distribution be provided, so that this information is available as well. But at a minimum we require the “paid for by” statement that would otherwise be included on the material be provided so that it can be posted to the website.

Greetings. I saw quite a few COPP exemptions from the attribution requirements that involve business cards, buttons, etc., so am submitting the attached image of business cards where the full attribution was impractical to include. I look forward to using these with businesses in the district and beyond, and will include attribution on all other campaign items as practical.

Thank you.
