# Cory Kirsch for County Commissioner

## Hello Jefferson County,

I'd like to officially announce my intention to run for Jefferson County Commissioner for a third term. This is my 12th year as your District 2 commissioner, and I look forward to serving another term.

Much of the work your county commissioner does is keeping the county government running properly and efficiently while adhering to state laws and staying within budget. Just a few examples of the work I do on a daily or weekly basis include meeting with department heads, signing claims to pay bills, and answering phone calls and emails from residents with questions, concerns or requests.

Some of the more technical tasks require a commissioner to be knowledgeable and experienced about Montana law, county policy and procedure and historical data. This is where I believe it would be a great benefit for me to continue serving another term. Being the longest serving commissioner allows me to help guide and train our newer commissioners, other elected officials, and employees.

I believe I have been doing a good job representing Jefferson County. The job has its challenges and rewards. It's a challenge to try to address issues throughout the county while working within the parameters of state law and budget constraints. However, it's a great reward when we can find creative solutions to challenges that arise within the county. I work hard to represent the residents of Jefferson County well and I am always open to new ideas and suggestions on how to do things better.

If you'd like to help support my upcoming campaign, please reach out. My campaign email is Coryfor-JeffCo@gmail.com, or call or text my cell phone: 406-949-3346. I plan on having larger signs for along roadways, smaller signs for your lawns and brochures to hand out.

I very much appreciate being able to represent the fine residents of Jefferson County and would love the opportunity to serve you for another term.

**Thank you,**  
**Cory Kirsch**  
Jefferson County Commissioner, District 2

## Kirsch Announces Run for 3rd Term as Jefferson County Commissioner

Hello Jefferson County, I'd like to officially announce my intention to run for Jefferson County Commissioner for a third term. This is my 12th year as your District 2 commissioner, and I look forward to serving another term.

Much of the work your county commissioner does is keeping the county government running properly and efficiently while adhering to state laws and staying within budget.

Just a few examples of the work I do on a daily or weekly basis include meeting with department heads, signing claims to pay bills, and answering phone calls and emails from residents with questions, concerns, or requests.

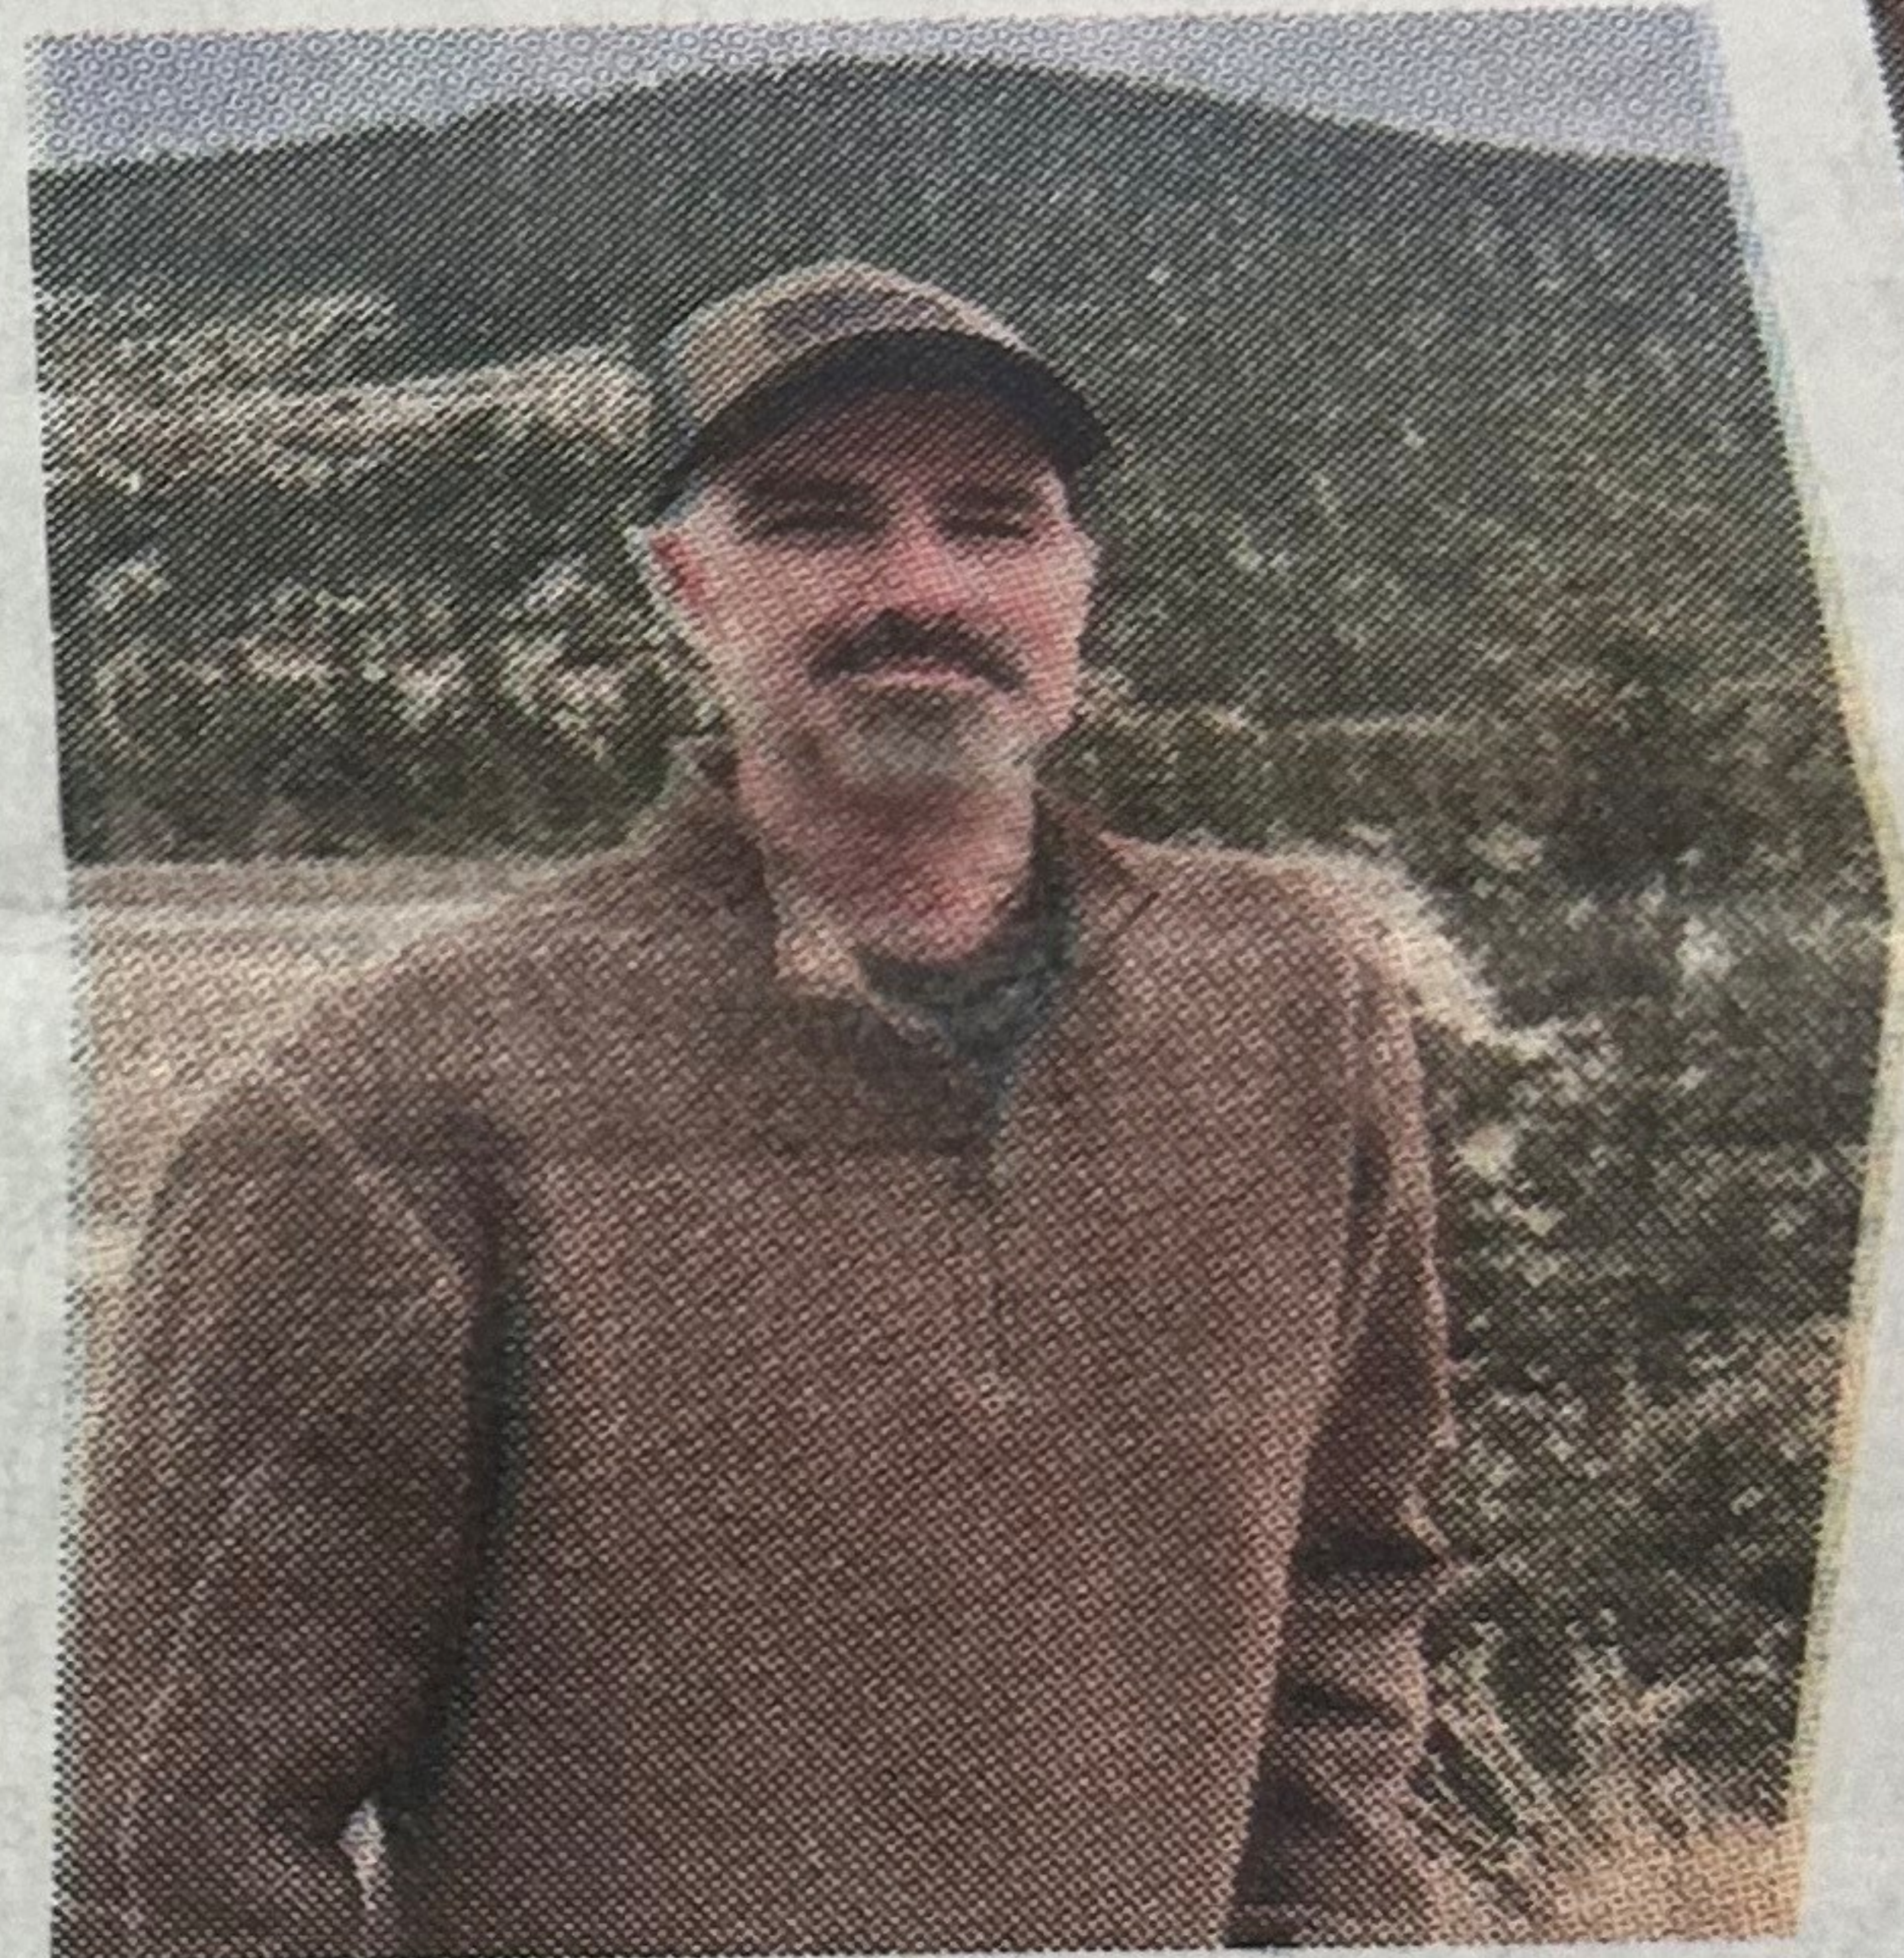

Some of the more technical tasks require a commissioner to be knowledgeable and experienced about Montana law, county policy and

procedure, and historical data. This is where I believe it would be a great benefit for me to continue serving another term.

As the longest-serving commissioner, I help guide and train our newer commissioners, other elected officials, and employees.

I believe I have been doing a good job representing Jefferson County. The job has its challenges and rewards. It's a challenge to try to address issues throughout the county while working within the parameters of state law and budget constraints. However, it's a great reward to find creative solutions to challenges that arise in the county. I work hard to represent the residents of Jefferson County well, and I am always open to new ideas and suggestions for improving how we do things.
