Initial Text

Elizabeth, this is Ben with Montanans Securing Reproductive Rights. Montana ballots have been mailed out and we are encouraging supporters of CI-128 to return those ASAP! How do you plan to vote this election? Stop2end

Replies:

Will vote on election day:

Election day polls are open from 7am-8pm on November 5th. You must bring a current valid form of ID. Find your polling location by visiting voterportal.mt.gov!

Will vote by mail:

Fantastic! We strongly encourage you to vote ASAP. When filling out your ballot, don't forget to sign, date, and put it in the secrecy envelope.

Already voted by mail/voted early:

That is incredible! Thank you for being such an active participant in our democracy. Encourage your friends, family, and community members to vote early also.

Unsure about voting YES on CI-128:

Ballot initiative CI-128 protects the rights of all Montanans to make their own healthcare decisions, free from political interference. Sensitive decisions about pregnancy should be left to patients and their doctors, not politicians. Learn more here: <https://mtreprorights.org/> [mtreprorights.org]

Questions:

Great question! Visit <http://voterportal.mt.gov> to find your polling location, information about registering to vote, and answers to any other questions you have.

Not voting/sick of politics

I totally understand, however, if there is one reason to vote this cycle, it is to protect reproductive rights for future generations of Montanans. I hope you will consider participating in the election and voting YES on CI-128.
