%First Name%, %OrgName% is ensuring all CI-128 supporters have a plan to vote by Tuesday. How do you plan on casting your ballot? %OptOut%

### Replies:

#### Support 128, but no response to vote plan question:

Thank you so much for your support of CI-128, how do you plan to cast your ballot this year?

#### Will vote on election day:

Election day polls are open from 7am-8pm on November 5th. You must bring a current valid form of ID. You can find your polling location by visiting [voterportal.mt.gov](http://voterportal.mt.gov)! Consider volunteering with our team in the coming days at [mobilize.us/mtreprorights/](http://mobilize.us/mtreprorights/) [[mobilize.us](http://mobilize.us)].

#### Will vote by mail:

With election day only a few days away, it is too late to put your ballot in the mail! Completed ballots should be hand delivered to your local county elections office or polling location, no later than 8 PM on Tuesday or else they will not be counted. If you need assistance getting your ballot dropped off, call (844) 406-8683.

#### Already voted by mail/voted early:

That is incredible, thank you so much for your support. Please sign up to volunteer with our team in the days up to, and on, election day. You can view all opportunities here: [www.mobilize.us/mtreprorights/](http://www.mobilize.us/mtreprorights/) [[mobilize.us](http://mobilize.us)].

#### Unsure about voting YES on CI-128:

Ballot initiative CI-128 protects the rights of all Montanans to make their own healthcare decisions, free from political interference. Sensitive decisions about pregnancy should be left to patients and their doctors, not politicians. Learn more here: <https://mtreprorights.org/> [[mtreprorights.org](https://mtreprorights.org/)]

#### Questions:

Great question! Visit [voterportal.mt.gov](http://voterportal.mt.gov) to find your polling location, information about registering to vote, and answers to any other questions you have.

#### Not voting/sick of politics

I totally understand, however, if there is one reason to vote this cycle, it is to protect reproductive rights for future generations of Montanans. I hope you will consider participating in the election and voting YES on CI-128.

Amber
