Hi Scott,

Thanks for getting back to me so quickly. I appreciate it. That's great on the waiver. I am going to be ordering 150 of the of the items (Football Stress Reliever (2" x 3.25")).
My Disclaimer is: "Paid for by McKeon for Butte District Court Judge, PO Box 3046, Butte, MT 59702-Rick Anderson, Treasurer-Non-Partisan"
Once I receive the items, I will send a picture of the actual item. Thanks again.

Michael,

Thanks for reaching out. Commissioner Gallus has reviewed your request, and has determined that the material is indeed "a document or other article of advertising... too small for" the paid for by attribution statement "requirements of subsections (1) and (2) to be conveniently included", MCA [13-35-225\(3\)](#). You have met the requirement to "file a copy of the article with the commissioner of political practices, together with the required information or statement, at the time of its public distribution" by emailing COPP a photograph of the material along with a statement including the

relevant 'paid for by' information. However, COPP would in this case additionally request you provide the quantity of unattributed items that will be produced and distributed.

Once relevant quantity information is received, COPP will post the material and relevant attribution statement you have provided on our attribution page, [here](#). In other words, COPP will make this material and attribution statement available to the public.

I hope this helps! As always, feel free to contact us with any additional questions about 13-35-225's 'paid for by' attribution requirements.

I am writing to request an exemption from the disclaimer requirement on a campaign promotional item.

Disclaimer: "Paid for by McKeon for Butte District Court Judge, PO Box 3046, Butte, MT 59702, Treasurer-Rick Anderson"

See attached proof of football, the space is too small to fit a disclaimer that can be read.

Please let me know if COPP will grant this exemption. Thank you.
