Hi, I'm Lukas Schubert, I'm running for state house in district 8, I recently sent out a text message to ~3k people in my district and I thought the paid for by was on there but apparently it wasn't. The image I attached to the text is attached to this email and this is the text:

"Hey, is this ___? I'm Lukas Schubert. I'm a Christian, conservative, Republican running for state house in district 8 and I wanted to say hi.

I'm running because far-left ideology is creeping into our state, and if our elected officials don't get serious about it, we're going to lose our state, and sooner than you'd think.

In the legislature I will support property tax cuts, stopping illegal immigration, tackling the cost of living crisis and getting rid of corrupt, far-left judges.

Please feel free to reach me at my personal number: (406) 609-6099"

The notice should read "Paid for by Lukas Schubert for HD8 - 175 Hutton Ranch Rd STE 103 PMB 102, Kalispell, MT 59901 - R"
