Subject: [EXTERNAL] Weber for HD 19 Silicone Wristband Request Regarding Affirmation
Attachments: Silicone_Braclets_Weberforhd19.jpg

Scott - as we discussed by phone, attached is a photograph of the adult and children-sized silicone wristbands that the Weber for HD 19 campaign ordered for public distribution. I am requesting an exemption from having the required attribution statement on the wristband. Due to the small size of the bands, it was not possible to display both the Weber for HD 19 messaging and the required attribution statement on the band. We considered trying to attach the attribution statement to the wristband with a label, but the material is a greasy (slippery) product and a label will not adhere.

I am asking for COPP consideration of these items (adult and child silicone wristbands). The attribution message would have read: ***Paid for by Weber for HD 19, P.O. Box 818, Great Falls, MT 59403 - Treasurer Pam Guschausky.***

Number of Wristbands

3100 children size
2100 adult size

Intended Distribution

- July 4, 2024 parade in Great Falls
- July-August 2024 State Fair in Great Falls - if any wristbands are remaining after the 4th of July Parade, they will be made available for distribution at the Cascade County Democratic Central Committee booth during the week of the state fair.

Thank you for your consideration and please let me know if you require any further information,
Jane Weber
Candidate for HD 19
