Subject: Complaint received May 2, 2024; *Kronebusch v. Coombs*,  
COPP-2024-CFP-014

James,

The enclosed complaint alleges a violation of Montana election law under Title 13, Chapter 37 of the Montana Code Annotated (MCA), enforcement of which falls under my jurisdiction as Commissioner of Political Practices (COPP). The complaint also conforms to the requirements of 44.11.106 ARM, the administrative rule regarding election complaints. For those reasons, I have accepted it for further consideration.

While I am accepting this complaint as a whole, please note that I will not consider the alleged violation that certain campaign materials financed by your campaign failed to include an appropriate "paid for by" attribution statement. As pictured in the submitted complaint, each material contains an attribution statement that specifically and obviously includes the words "paid for by", your last name (Coombs), and your campaign address. As it includes each of the required elements under MCA § 13-35-225(1)(a), I dismiss this allegation in its entirety. As stated above, however, I am accepting the other alleged violations as submitted for further consideration.

Pursuant to MCA §13-37-132, I formally request a written response from you addressing the specific issues identified in this complaint.

**Please provide your response by 5:00 PM on Friday, May 17, 2024.** Any response you provide is a public record that COPP posts on our website, per MCA §13-37-132.

I will review any additional materials relevant to this complaint for any deficiencies pursuant to 44.11.106 ARM, law, and prior relevant COPP rulings, and reserve the right to dismiss the complaint upon this initial inquiry. If this occurs, I will notify you and provide a basis for the dismissal. Alternatively, as noted above, I may determine that a formal investigation is warranted. This generally involves a more extensive and time-consuming process, during which you may contact us for a status update.

If an investigation is conducted, a decision will be issued which includes a summary of facts and determines if those facts are sufficient or insufficient to support a violation. This decision will also determine if prosecution is justified. Upon completion of this investigation a copy of the decision will be sent to you and posted on COPP's website.

If I determine prosecution is justified, this matter will be referred to the county attorney in the county where the violations occurred. The county attorney will then determine whether they will prosecute the matter or refer it back to me. If returned to me, I will either prosecute the matter in district court or negotiate a settlement pursuant to MCA § 13-37-128. Penalties, if any, are imposed based upon MCA § 13-37-128.

This office is now conducting a legal review, and records currently in your possession are subject to a pending investigation. While I do not anticipate that you would intentionally destroy any relevant records, due to the severity of the penalty I feel compelled to provide you with the relevant statute in this regard. See, Attached MCA § 45-7-207 (Tampering with or fabricating physical evidence).

Montana law authorizes the Commissioner to inspect records, accounts, and books held by a candidate or political committee, administer oaths and affirmations, subpoena witnesses and compel their attendance, take evidence, and require the production of any books, papers and records that are relevant or material for the purpose of conducting an investigation. MCA § 13-37-111.

To facilitate such an investigation, please take immediate steps to retain all such records, and begin collecting and preparing records for review. This includes documents, including computer communications (e.g. email), in your possession or the possession of any of your agents, representatives, or assigns. Communications with attorneys should be retained as these records might need to be produced if attorney/client privilege is not involved. As indicated, your preservation of all such documents is essential and required pursuant to this request and subject to penalties provided in MCA § 45-7-207.

I appreciate your time and consideration of this important matter.

Regards,

Chris J. Gallus  
Commissioner of Political Practices
