ELECT *TERI SCHUSTER* FOR
DISTRICT 14 SCHOOL BOARD

VOTE MAY 5TH

Your School, Your Choice

Bonner School District #14
"Home of the Lumberjacks"

Elect Teri Schuster

Hello, my name is Teri Schuster and my family and I have lived in the Bonner School District for 11 non-consecutive years. We love the area and the people in the community.

My husband, Jeff, and I have two kids that go to school in Bonner, Landyn (4th Grade) and Leyton (1st Grade). I have a Bachelor's degree in Construction Engineering and a Master's degree in Engineering Management. I have owned and run a seeding business, K & S Hydroseeding, LLC, for 12 years. I am also currently working as an account executive for MSC Industrial since October 2019.

I am seeking a school board seat in order to be more hands on with the school my children attend. I spent a good amount of time last year substituting in the school and have gotten to know the kids and staff pretty well. I have also gotten the chance to see some of the challenges that the staff and administration face, as well as, many great things that are happening in Bonner School. I would like the chance to help keep the momentum of the successes going and aid in providing the professionals in the school the tools needed to start minimizing challenges and creating an even more positive place for our children to succeed and thrive. We have a great bunch of kids in our school and there is nothing I would like more than to represent the district with a seat on the board.

If any voters have any questions for me, I have set up a Facebook page (Teri Schuster for Bonner Elementary School Board), please like the page and put questions or comments in the comment section. Thank you for your time.
