Scott, After filing my response to the complaint, I went out and visited a location I knew one of my yard signs was posted. As I used the same printing company for both the signs and the door hangers, I was concerned that the full attribution was not on the yard signs either. As I suspected it was not, only "Paid for by Michael Gehl". I have distributed 50 yard signs, about 98% were done by volunteers over the last two weeks. I have only personally placed one yard sign, the rest were given out. The only signage that I have used are small yard signs, no other type of advertising. I am in process of reaching out to those folks to have the following amended attribution added:

Paid for by Michael Gehl 1555 Cresthaven Dr, Missoula, MT, 59808

I can go back and take a photo if you need (I forgot to do that), as I have none left, they have all been distributed.

Thanks for your attention in this matter,

Mike Gehl

Scott, please find the photo of the my yard sign, amended as per statute. I have no more signs in inventory, nor do I intend to purchase any more (if I do, they will have the proper attribution). I've been in contact with supporters requesting the attribution addition - as this photo demonstrates, taken by a supporter of the sign in their yard. In addition, the requested changes have been updated to the website:

<https://www.mikeformontana.com> [mikeformontana.com]

And here is also a screenshot of the website:

The screenshot shows a campaign website for Michael Gehl. On the left is a logo for Michael GEHL, Trustee for Missoula County Public School. To the right of the logo, the text reads: "Paid for by MICHAEL GEHL", "1555 Cresthaven Dr, Missoula, MT 59808", "Trustee for Missoula County Public School, Steve Kendley, Treasurer", "mike@mikeformontana.com", and "Made by [My Campaign Online](#)".

Thanks for your understanding and time. Please don't hesitate to contact me.

Mike,

Thank you for reaching out. For any yard signs still in your possession or distributed by yourself, COPP would require photo/s of the material with attribution added.

COPP would also note that the attribution message included on your campaign website needs to be amended to reflect the campaign address of 1555 Cresthaven Dr, Missoula, MT, 59808. Please make that correction and send a photo showing that to the COPP before the end of the day Monday.

As always, feel free to call or email me with questions about attribution requirements. Thank you.
