Subject: [EXTERNAL] Re: Partisan affiliation required on campaign material

Scott-

Per our phone call. Here is the photo of the sign with the political affiliation. At this time I only had 10 signs out and they all have been corrected.

Thank you for your help.

Good morning,

COPP Compliance Specialists have recently been notified that certain materials supporting your candidacy do not appear to include your partisan affiliation as required (see the attached photo). This material would require inclusion of your partisan affiliation under [13-35-225\(2\)](#), Mont. Code Ann. Partisan affiliation can be appropriately included on the material by stating the name of the political party, including the party symbol, or a capitalized first letter of the party ('R' for Republican, 'D' for Democrat, 'L' for Libertarian).

You will need to add partisan affiliation to all copies of this material and email a photo to the COPP showing this addition; please do so no later than the end of the day Monday, May 2, 2022 (2 business days from today)- per [13-35-225\(6\)](#), Mont. Code Ann. COPP would also require the number of items an attribution message was added to and the date the material was distributed as part of this message.

COPP would also remind you that under Montana's attribution requirements, all material must include an attribution message of 'paid for by' followed by the candidate's name and address- for example 'paid for by Spider Man, PO Box 1, Helena, MT 59601'.

Please feel free to contact me directly with questions about Montana's attribution requirements, including inclusion of the partisan affiliation on campaign material. I can be reached via email at scook3@mt.gov or via telephone at (406) 444-4627. Thank you.
