SETTLEMENT AGREEMENT

RECEIVED

This settlement agreement is entered into by Jonathan R. Motl, in his official capacity as the Montana Commissioner of Political Practices (hereinafter the Commissioner) and the following party: Representative David "Doc" Moore (hereinafter "the Respondent").

2015 MAY 26 A 9:08
COMMISSIONER OF
POLITICAL PRACTICES

Montana law authorizes the Commissioner to file an action in district court in order to seek a civil penalty for violation of Montana's campaign finance and practices laws and rules, §§13-37-124 and 13-37-128 Mont. Code Ann. In order to avoid litigation, the Commissioner and the Respondent enter into this agreement to resolve this matter.

1. The Commissioner acknowledges that Missoula resident Mr. Chruck Erickson filed a Campaign Finance and Practices Complaint against the Respondent alleging violations of Montana's campaign finance and practices laws on October 27, 2014.
2. On October 31, 2014 the Commissioner issued a Summary of Facts and Finding of Sufficient Evidence to Show a Violation of Montana's Campaign Practices Act, the Commissioner's cause number COPP-2014-CFP-0047 (hereinafter "decision"). The decision determined that the Respondent failed to comply with certain campaign finance and practices laws and administrative regulations.
3. The Respondent acknowledges that they have read and understand the Commissioner's decision issued in the above referenced causes.
4. The Respondent acknowledges the findings of fact contained in the decision, and admits to having failed to properly track and report all campaign contributions, and to properly disclose the name, address, occupation and aggregate contribution of anyone who contributed in excess of the \$35 disclosure threshold in violation of Mont. Code Ann. § 13-37-216 and 229.
5. The Commissioner acknowledges that the Respondent cooperated with the COPP, and has submitted an amended report. As discussed in the Sufficiency Finding, the Commissioner has taken this into consideration and applied the principle of mitigation to his consideration of the amount of the civil fine in this matter.
6. The Commissioner indicated in the decision that mitigation would be considered and applied to the amount of the fine negotiated between the Commissioner and the Respondent if the Respondent chose to settle the matter with the

Commissioner. The Commissioner has applied the principle of mitigation to his consideration of the amount of the civil fine in this matter.

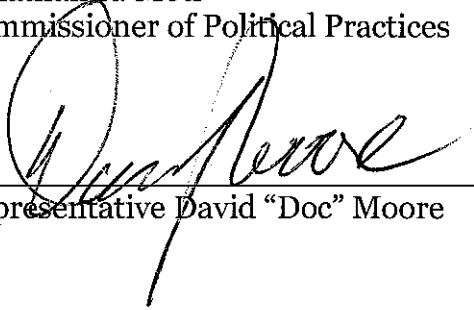

7. The Commissioner and the Respondent agree that execution of this settlement agreement by both parties, together with a payment of a civil fine in the amount of \$100.00 by the Respondent, fully and finally resolves all of the issues as set forth in the decision.
8. Simultaneously with the return of the executed settlement agreement the Respondent will remit to the Commissioner \$100.00, on a check made out to: "Commissioner of Political Practices" and mailed to the Office of the Commissioner of Political Practices, 1205 8th Avenue, P.O. Box 202401, Helena, Montana, 59620.
9. In consideration of payment of the civil fine referenced above and execution of this settlement agreement by the Respondent, the Commissioner agrees not to pursue any further administrative or court proceedings against the Respondent or other persons that may be named or unnamed and based on the matters discussed in the decision.
10. The Respondent enter into this agreement to avoid litigation and to resolve and settle all disputes with the Commissioner. It is understood and agreed that the payment of the civil fine referenced above and execution of this settlement agreement by the Respondent is accepted as the sole consideration for full satisfaction and compromise of what may be disputed claims.
11. The Commissioner and the Respondent fully and forever release and discharge each other and their respective officials, officers, members, employees, successors, assigns, agents, ostensible agents, attorneys, and representatives from any and all actions, claims, causes of action, demands, expenses, damages or injuries, whether asserted or unasserted, known or unknown, foreseen or unforeseen, arising out of the matters investigated by the Commissioner and summarized in the decision.
12. The Commissioner and the Respondent agree that the executed Settlement Agreement is a public document and will be made available to members of the public.
13. This settlement agreement, consisting of 3 pages, sets forth the entire agreement that has been reached between the Commissioner and the Respondent. No

modification or amendment of this agreement will be effective unless both parties complete a subsequent written statement that is signed by both parties.
