Re: January 2013 complaint against Senator Scott Sales

Dear Mr. Madin:

On January 15, 2013, you filed a complaint against Senator Scott Sales, alleging coordinated expenditures in violation of Administrative Rule of Montana 44.10.321 and 323.

A response from Senator Sales was received and reviewed, and the complaint was investigated. There is no evidence to establish coordination between Senator Sales and any other entity. Therefore, I have determined no further investigation is needed and, based on the information presented to me as described in this letter, I am dismissing your complaint.

Sincerely,

A handwritten signature in cursive script, appearing to read "James W. Murry".

James W. Murry
Commissioner of Political Practices

c: Senator Scott Sales
