Montana Shooting Sports Association Political Action Committee, including a number of derivatives of this name, reports at both the federal level and the state level but is the same account. I am filing a campaign finance complaint that outlines the blatant attempt to use a federal Super PAC to evade Montana law. Overall, the federal PAC is used to accumulate contributions avoiding disclosure. In the past decade most of the time the expenditures are then made in Montana state legislative races, with the exception of 2012 in which this PAC did participate in a federal election. This state legislative activity would make this an ongoing Montana PAC subjected to Montana law which is being violated under the guise of a federal PAC. This complaint will outline how the documentation filed by the Montana Shooting Sports Association Political Action Committee itself, at the federal and state levels, shows how they did this.

These actions are done in violation of Montana disclosure laws in place in the years of the action in the past. Additionally, this is more clearly a violation should it occur in the present cycle giving the new law and rules now in place.

Due to statutory limits this complaint will formally request a decision on the actions of the 2012 and 2014 election cycles. Information from prior years is included to establish the long term action and intent of these violations. Additionally, this complaint requests that this reporting scheme be prevented to be used in this 2016 election cycle and in the future.

Attachment A compares a summary of the federal and state reports over a number of years. The Commissioner of Political Practices office already retains the state reports, the federal reports from 2012, 2013, and 2014 are attached. All of the federal reports for Montana Shooting Sports Association Political Committee can be found at <http://www.fec.gov/fecviewer/CandidateCommitteeDetail.do?candidateCommitteeId=C00322958&tabIndex=1> under the Filings tab.

Violations Claimed:

The MSSA PAC reports at the federal level, whose limits provide anonymity to donors who contribute under \$200 per calendar year (as presented to the MSSA PAC in a letter from the FEC <http://docquery.fec.gov/pdf/094/15330072094/15330072094.pdf> and attached as Image# 15330072094). MSSA does a number of fundraisers in an ongoing manner and discloses such, as shown in the summary and correlating federal reports. Those fundraisers are reported at the federal level with event contributions listed. There are a number of letters from the FEC questioning the practice of not disclosing the donors individually. MSSA PAC affirms that their contributors are not reaching the federal disclosure levels.

Montana law, **MCA 13-37-229. Disclosure of contributions received**, requires disclosure at much lower levels, \$35 per election. A willingness to report at the higher levels but not at the lower levels implies that these contributions would be disclosed under Montana law. Instead a lump sum contribution from the federal PAC is reported to Montana.

Expenditures are also reported at both levels. The expenditures in the federal report match the expenditures made in the Montana reports by vendor, date and amount. Additional expenditures are made and reported at the federal level when the activity was involving federal races. All of this is reported on FEC Schedule H4: Disbursement for Allocated Federal/Nonfederal Activity and later on

given

Schedule B: Itemized Disbursements. The Commissioner of Political Practices should be concerned with the blatant attempt to use a federal Super PAC to evade Montana law. This alignment of expenditures provides further evidence that this is actually one account and one PAC reporting as two different entities to hide contribution information to Montanans.

The expenditures reported in the Montana reports are lacking required information detail to determine the specific services and what expenditures were made for which candidates. **MCA 13-37-230.**

Disclosure of expenditures made. (2)

The report to the state of Montana implies that notification of the mailing in 2014 was provided through email. I believe I was a target of one of these postcards, attached, while not by name by position and was represented negatively. I attest that email notification to me did not occur in violation of **MCA 13-35-402. Fair notice period before election.**

As the contribution totals and expenditures match in the state and federal reports, as do addresses and bank identification, there must be only one bank account. **MCA 13-37-205. Campaign depositories** requires one primary campaign depository for all contributions and expenditures. Therefore the contributions to the bank account of the Montana PAC should be reported as individual contributions. The treasurer is also in violation that the reports filed in Montana are not true and correct, instead they lump contributions together in the reports in a systemic way to evade disclosure requirements, **MCA 13-37-231. Reports to be certified as true and correct.**

MSSA PAC at the Montana level closes at the end of each election cycle and reopens upon the next cycle. However, the transactions made in the interim are never reported to the state. Instead, MSSA PAC erroneously reports a "Cash In Bank – Balance from previous report" that does not match the closing report of the previous cycle, again violating **MCA 13-37-231.**

Additionally, when a PAC in Montana closes there is a requirement to expend and report how the excess contributions were disbursed. **MCA 13-37-240. Surplus campaign funds.** This has never occurred. As such, since the bank account has perpetuated, the Montana PAC has as well and those contributions should be reported, the PAC should not be repeatedly opened and closed improperly. As the PAC has continued in existence, multiple required reports are missing, **MCA 13-37-225. Reports of contributions and expenditures required.**

This action outlines an intentional will to evade the law of Montana in the past. I also request, particularly given the more strict laws and rules in place now, that the Montana Shooting Sports Association Political Action Committee report in Montana wholly and fully for the 2016 election cycle and into the future. It is highly improper to run a federal Super PAC that primarily operates in Montana legislative races and claim to do so under federal law instead of Montana law.

REFERENCE: 30 DAY POST-GENERAL REPORT (10/01/2014 - 11/24/2014)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule A supporting Line 11(a)(i) of your report discloses receipts identified as "Individual Contributions." Please be advised that federal regulations require the itemization of all contributions from individuals/persons that aggregate greater than \$200 in the calendar year. Contributions from individuals/persons that aggregate \$200 or less need only be disclosed on Line 11(a)(ii) of the Detailed Summary Page.

Please clarify whether the receipts disclosed on Schedule A includes any contributions that aggregate greater than \$200 from an individual/person in the calendar year. If this is the case, please amend your report by itemizing the contributions from each individual/person on Schedule A. (11 CFR §104.3(a)(2))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
