My wife was mailed two pieces of political mail from Americans for Prosperity that are within the 60 day window prior the mailing of absentee ballots. AFP is 501(c)(4) organization and these mail pieces look very much like political mail pieces targeting two incumbents. How is this legal?

Government spending is outpacing the growth of Montana's economy under Governor Bullock's leadership.¹

Governor Bullock's policies have blown a hole through our \$350 million surplus, leaving as little as \$50 million in the bank by 2019.²

Obamacare spending has put Montana's budget in danger – state economists estimate Obamacare's Medicaid expansion will cost \$36 million more than expected in 2017 alone.²
