On behalf of I-185 incidental committees Montana Women Vote and Montana Human Rights Network, please accept the following full disclaimers pursuant to 13-35-225(4), MCA. Each incidental committee may begin sending text messages to potential voters using the following script:

"Hi [insert name], This is [insert name] with [insert name of organization]. I-185 for a Healthy MT would increase the state tobacco tax & keep 100,000 Montanans from losing coverage. Can we count on your vote?"

Pursuant 13-35-225(4), MCA, the above script and medium over which it is delivered (text message) is too small for the full paid for by disclaimer requirements to be conveniently included on each and every text message. As such, the entities responsible for sending these communications are providing the Commissioner's Office the information with the complete paid for by disclaimers as outlined in statute. The full paid for by disclaimers for these texts follow.

Paid for by Montana Women Vote, Sarah Howell, Treasurer, 725 W. Alder St., Suite 21, Missoula, MT 59802

Paid for by Montana Human Rights Network, Kim Abbott, Treasurer, PO Box 1509, Helena, MT 59624
