Commissioner,

I am asking for an exemption from the disclaimer requirement on two campaign promotional items.

Bennion Attorney General lapel sticker 4" x 1.5"; use across state at events June 2019 – November 2020; Paid for by Bennion for Attorney General, Republican, PO Box 1585, Helena, MT 59624; (see attached image) The space is too small to fit a disclaimer that can be read.

Bennion Attorney General wood carved sign; 11" x 20"; use at speaking events across state June 2019 – November 2020; Paid for by Bennion for Attorney General, Republican, PO Box 1585, Helena, MT 59624; (see attached image) This is a handmade, one of a kind item that can't have a readable disclaimer chiseled into it.

Please let me know if COPP has any issues with these exemptions.

Jon Bennion
