To whom it may concern:

Included below this message is the artwork for 3" circular business cards for the Montanans for Olszewski campaign. The artwork space was too small to include the attribution. 500 business cards were ordered and will be distributed at events. The attribution that is required to be included on this material if there were space is as follows: Paid for by Montanans for Olszewski, PO Box 1596, Helena, Montana 59624, Republican.

Please let me know if the Commissioner of Political Practices requires any additional information.

Thank you,

Ian Sibbert
Campaign Coordinator
