I have had a chance to review the complaint and agree I cannot find the party designation in the attribution. The flyers in question were mailed as follows:

First week in October (about October 6) to 2083 registered voters in House District 44 in the Billings Heights.

Second week in October (about October 9) to 2083 registered voters in House District 44.

A third mailer that had the same attribution error went out about October 16 to 476 registered voters in House District 44.

The attribution should have read: "Paid for by Dennis for Montana. P.O. Box 50545, Billings, Mt 59105. Democrat."

I apologize for the attribution error in these materials. Please let me know if you need any more information.
