Dear Commission of Political Practices,

I am chair of the Gallatin County Democrats. We produced 14,400 sticky notes (like post-it notes) to help us get out the vote. By mistake, we left off the name of our treasurer, Hanah McCarthy. Please find a photo of the piece attached. We cannot correct 14,400 pieces as it's just too many to correct by hand. Kimberly Trujillo in your office recommended I send an email and explain the mistake.

Here is the attribution that should have been printed on this piece:

Proudly paid for by Gallatin County Democrats
P.O. Box 344, Bozeman, MT 59771
Hanah McCarthy, Treasurer

I hope that this email will suffice in reporting our error. Thank you for your work for the people of Montana and honest election processes. We do appreciate your work!
