Dear Commissioner Mangan:

My campaign mailed a campaign mailer in support of my election for Attorney General during the week of May 4, 2020, to 26,551 Montanans who are registered to vote. A copy of the mailer is included herein.

In the process of having the mailer made, an additional line was inadvertently removed from the disclaimer. This additional line included the treasurer and party affiliation. With this omission, the party affiliation is not included on the mailer.

The disclaimer included was "Paid for by Friends of Kimberly Dudik, P.O. Box 674, Frenchtown, MT 59834-0674."

The intended disclaimer with the last line omitted was "Paid for by Friends of Kimberly Dudik, P.O. Box 674, Frenchtown, MT 59834-0674, Kelly Gallinger, Treasurer, Democrat." The omitted line was "Kelly Gallinger, Treasurer, Democrat."

This letter is written to file the additional information with your office so that party affiliation is clear. Contact information for the campaign website, Facebook site, and Twitter site is also included on the mailer. These sites also include the party affiliation if any individual follows these links.

This was an inadvertent omission that occurred during the editing process of this mailer. Please let me know if you need any additional information from me.

Thank you for your time.

Sincerely

*Kimberly Dudik*
