Subject: [EXTERNAL] 10/29/20 RGA Right Dir PAC Disclaimer

Hello Mr. Cook,

I've been advised to convey the following information about another texting campaign being conducted by the RGA Right Direction PAC.

The texting campaign will run tomorrow (10/29/20) and will reach an estimated 11,354 recipients. The text of the message will be:

"You heard it from President Trump first: Greg Gianforte will be a "tremendous" governor of Montana. Let's get out and make it happen!"

The text for the disclaimer should read:

"Paid for by RGA Right Direction PAC and not authorized by any candidate or candidate's committee. 1747 Penn Ave. NW, Ste. 250, Washington, DC 20006. Erim Canligil, Treasurer."

Please let us know if you have any questions.

Thank you,

Erim Canligil
