Dear Mr. Cook:

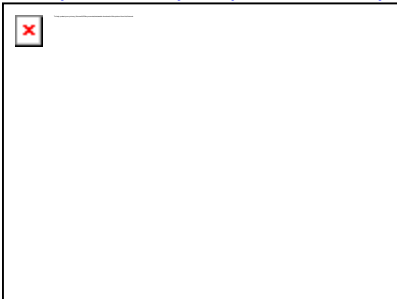

My name is Matthew Henry and I am a candidate for county superintendent of schools in Gallatin County. Recently my campaign purchased 432 school pencils that are too small to conveniently include the attribution language required by 13-35-225, MCA.

The pencils were paid for by Matthew Henry for County Superintendent of Schools, PO Box 12024, Bozeman, MT 59719, Republican, Susan Henry, Treasurer. The pencils were received on 8/14/2022 and photos are attached.

Please let me know if you have questions or if more information is needed. Thank you in advance for your time and assistance.

Sincerely,
Matthew Henry
