Subject: [EXTERNAL] Campaign Buttons without attribution.

Hello,

Below is my notification for campaign items without attribution. The items will go into public on 9/30/2022. Please let me know if you have any questions or I need do do anything further.

Thanks you.

Seth Broesder

Non attributed items- the campaign has purchased 100 buttons that are 2.5 inches. The size of the buttons limit the ability to print the campaign attribution.

The campaign also made 10 Tshirts. Making the shirts made the attribution to difficult to apply.

The attribution is:

Seth Broesder for Chouteau County Justice of the Peace, Sarah Broesder Treasurer, Nonpartisan, PO Box 746, Fort Benton, MT 59442
