Hello Scott,

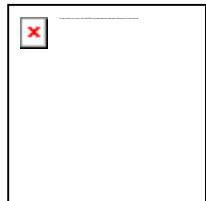

I have placed an order for buttons that say "VOTE GETTS" but unfortunately the size of the buttons (1.5in x 1.5in circle) was not compatible with the attribution information and the text would have been too small to read. I have ordered 100 buttons (see attached photos) and will be receiving them September 30 with intent to distribute for the rest of the campaign season.

Attribution for the buttons: **Paid for by Andrea Getts for HD3 - Democrat - P.O. Box 1662 Columbia Falls, MT 59912.**

Please let me know if you need any other information from me. Thank you for your time.
