I have also written a letter, but sending pictures separately as the file was too big and did not go through the first time I sent it.

Subject: [EXTERNAL] Letter Concerning Attribution Fix

Thank you again for your help the other day. Here are photos and details.

Flyers: I had 5200 flyers printed. 3700 were sent directly to homes (without "paid for by"). I had 1500 mailed to me and have added a label to each of them (as shown).

Signs: I had 200 printed (100 with "schools" in white and 100 with "schools" in blue). I have been able to fix 4 white and 9 blue by adding the required info in sharpie. I am carrying the sharpie in my car and will fix signs when I see them.

Thank you again for helping me in the reparation of this mistake.

Sincerely,

Lauren Dee
