150 yard signs.

1000 tri-folds ordered with 965 already mailed. The rest are trashed.

800 tri-folds ordered with most delivered door to door. The rest are trashed.

Postcards have been cancelled as we don't have the man-power to write "Paid for" on each of them.

3 Banners.

The Vote Yes slides posted for social media were created in house with no payment going toward their creation.

Thank you for your time,
Renee

Good morning,

Thank you for reaching out. I would be happy to discuss Montana's attribution requirements- please contact me via telephone at (406) 444-4627.

Each specific material included in your message would require an attribution message stating 'paid for by' with the name of the committee, name of the committee treasurer/other officer, and the committee's address- see [13-35-225\(1\)\(b\)](#), Mont. Code Ann. You will need to add the full required attribution message to all copies of each specific material and email a photo to the COPP showing the attribution message added; please do so no later than the end of the day Wednesday, April 20, 2022 (2 business days from today)- per 13-35-225(6), Mont. Code Ann. COPP would also require the number of items an attribution message was added to and the date the material was distributed as part of this message. Additional information regarding Montana's attribution requirements can be found on our website [here](#).
