Marty,

Thank you for reaching out. Per [13-35-225\(3\)](#), Mont. Code Ann., COPP would require correspondence from you that includes the relevant attribution statement ("paid for by" followed by the candidate's name and address) for that campaign material. We would also request information pertaining to the quantity to be distributed, and the date the material was purchased/publicly distributed. That information, including the relevant attribution message, can appropriately be provided via email in response to this message.

Please feel free to contact me with questions about attribution requirements, or for additional information. I can be reached via telephone at (406) 444-4627 and via email at scook3@mt.gov. Thanks!
