Scott

Thanks for such quick response. Not sure what is happening with my email, but your replies were received in an odd format. Please confirm my understanding:

I inform you of the contributors' information (attribution): Paid for by Misty Manist, 506 2nd Street NW (PO Box 602), Harlowton, MT. in support of Sheila Crow for Justice of the Peace - Wheatland County, MT

And, I have my treasurer add the expense amount to the in-kind donations on my report.

Thank you,

Sheila Crow

And as a follow-up, COPP would require 'paid for by' attribution information for this material prior to its public distribution. In this case, we would require an email message including the relevant 'paid for by' attribution messaging (as the material itself is too small to include). Attribution would need to say 'paid for by' with the name and address of the person financing the material- see [13-35-225](#), MCA, for full attribution requirements.

If you have any questions, please call or email for more information.

Hello

I rec'd 500 pens from a local supporter (see attached photo). I am unsure where she completed the purchase, however, she did disclose a cost of 168.00. I rec'd them about 3 weeks ago, April 20th or so. They will, if approved, be passed out at local meet and greets / conversations. They were not paid for by my campaign funds, but are still a donation. May I use them?
