Subject: Complaint received October 13, 2023; Sasse v.
Jenkins, COPP-2023-CFP-019

Jason,

I hope you are well. This letter acknowledges the receipt of your formal attribution complaint, received by this Office on October 4, 2023.

The complaint alleges violation of Montana's 'paid for by' attribution requirements as well as general reporting and disclosure requirements, both of which fall under my jurisdiction under Montana Code Annotated (MCA) Title 13, Chapters 35 and 37. I have also determined that it conforms to the basic requirements of 44.11.106 ARM. Basically, you have met the requirement that a written notarized complaint within the jurisdiction of COPP was delivered to the agency. Consequently, a letter and copy of the complaint is being sent to the respondent listed above. Please note that, as a formal attribution complaint, this Office will contact the respondent and work with them to remedy unattributed material, in the manner provided for under Mont. Code Ann. §13-35-225(5) and (6).

If an investigation is conducted, a summary of facts and statement of findings will be prepared, and a copy will be sent to you. This generally forms the basis as to whether the matter is going to be pursued further, which then involves referring the matter to the local county attorney. Any candidate, political committee, or joint fundraising committee who fails to bring unattributed material into compliance as required is subject to a civil penalty pursuant to Mont. Code Ann. §13-37-128.

Regards,

/s/ Chris J. Gallus
