Statement of facts:

Describe in detail the alleged violation(s), including pertinent dates, and cite the statute or statutes you believe have been violated. Please attach copies of documentary evidence to support the facts alleged in your statement.

If the space provided below is insufficient, you may attach additional pages as necessary.

MCA 13-35-207, MCA 13-2-154 and if I had filed the "Challenge Form" MCA 13-13-301. Rebecca Korell did not want me to fill out the challenge form. Review emails.

Enclosed you will find 4 documents that will explain all events that have occurred during my documentation of this Fraud. 1) A detailed

data Transcript typed explaining ALL events leading up to the Last known Event. 2) Email copies to SOS Elections and response as well as all subsequent emails to Rebecca Korell, Election Administrator of Golden Valley County. 3) MT Cadastral showing the Fraudulent property used

as the supposed actual Residence for Cassandra Wirsching. 4) Shipping/Shopping manifest to the actual address where Cassandra Wirsching

actually lives. Cassandra Wirsching Blatantly, Deliberately and Knowingly committed 2 cases involving a Fraudulently issued Voter ID card and using that card to perpetrate another Fraud with U.S. Postal Service here in Ryegate, MT 59074 to keep an existing PO Box "FREE of Charge" upon moving out of Golden Valley County and into Wheatland County, MT. She obtained a NEW Voter ID card from Rebecca Korell, Election Administrator in the Golden Valley Courthouse. They have been friends for a long period of time. Rebecca Korell also knew where Cassandra

Wirsching was living at the time when she issued her the Fraudulent Voter ID card. Cassandra then took the Fraudulent Voter ID card immediately to the Postmaster and showed it to her advising her that she had a "Golden Valley ID Card" that showed she was still living in Golden Valley County, MT. 2 Felony offenses at this time, I believe.

Kassandra is very intelligent and is an exquisite liar and manipulator. She has lived off of various system resources most of her life. She works

at the Ryegate School and can be found there if no one wants to make the long distance drive to where she actually lives back in the hills of

Wheatland County. I believe she is considered a Subtitue Teaching Aid as she has no formal edcuation to be a Teacher. I have lived next door to her for almost 3 years when she moved to Wheatland County, MT.

You will find additional information on my "Detailed Data Sheet about the type of person and crimes she has recently committed."

I sincerely hope that Justice will prevail here, and she will be punished to the full extent of the law for what she has done will FULL knowledge that it was illegal.

I have also filed a separate complaint against Rebecca Korell for exposing ALL of the RESIDENTS of Golden Valley to a Voter ID Card that does not fill the standards of the STATE or any FEDERAL function for which it is to be used. I filed this data on Sunday, January 7, 2024 in an email content to Mr. Austin James of SOSElections@mt.gov. I also attented the Commissioner's meeting on January 2, 2024 where I confronted

Rebecca Korell about the lack of protocols used in issuing a "Useless" Voter ID Card. I found this out when I went to pickup a purchase at

Cabela's in Billings, MT on Saturday, December 30, 2023.

If I can be of any further help, please do not hesitate to contact me. My email is LadyMerish@gmx.com

or you can call me on my landline. If there is any way I can be advised as to your progress in this investigation, I would greatly appreciate it so that I may know something is actually being done. We have many things here that are not legal, and I hope we can rectify a few as there is enough crime in this Country at this time being committed.

Kind Regards, Charlotte Ann Sainz

Kassandra Wirsching

11/13/23 **Previous week** had conversation with Erica Regarding notice she had given to Kassandra that she had to pay for the PO Box since she did not live in Golden Valley County any longer if she wanted to continue using the PO Box. Then on the 13th when I went in and asked how it went with Kassandra, I found out at that she couldn't charge her because she came in with a **New voter registration card showing she lived in GVC.**

The address listed was supposedly her Fiance`s property belonging to Cody Gantz.

11/13/23 Found out that the property she was claiming to be living on was not owned by Cody Gantz; but was owned by Robin & Roger Gantz here in Ryegate. Did some investigation on the property and there were NO livable dwellings on the property. A house that was falling down and a trailer that had been brought in during July 2023 and placed on the property. Trailer had No hookups to water or sewer or electricity; **therefore NOT livable.**

11/13/23 2:46 pm See Email: Sent an email to SOS Elections in Helena regarding possible voter registration fraud being committed.

11/13/23 4:00 pm I called the Court House and asked Rebecca if I could come and talk to her in private for a couple of minutes. She said she was expecting a conference call soon; but to come over and she had time up until then. I immediately left and went to the Court House and sat with Rebecca in the conference room and proceeded to explain to her that Kassandra had committed voter registration fraud. I gave her a copy of the property description for her files and advised her she needed to send out a form asking for **Proof of Residence** by providing an Original Electric Bill in her name for that property address of 411 First Ave E, Ryegate, MT 59074. She advised that the letter would be sent; but she would have to wait until the Official Canvas of the Municipal Election was finished before any adding or deleting could take place in the election program.

I advised her that she probably would be getting either an email or a phone call from the Election division in Helena.

11/13/23 23:30:30 received Reply from Donna Smillie / Elections Specialist where Rebecca Korell was coded in as my point of contact. See email.

11/14/23 10:21 AM forwarded reply from Donna Smillie/ Elections Specialist asking Rebecca if she wanted me to fill out the form mentioned in the email from Donna (challenge form for residency voting card). See email.

12/05/23 12:38 PM sent followup email to Rebecca, as I had not received an answer yet; See email

12/5/23 12:45 PM received answer from Rebecca advising she would send the letter out this week. See email response.

12/14/23 I walked to the Court House and talked with Rebecca in private about whether the letter had been returned yet. I was informed that Kassandra came in earlier this week (Monday or Tuesday) and admitted she had lied about living at 411 First Ave E, Ryegate, MT 59074. Something about she and her Fiance` were planning on moving into the trailer sometime next year? And that she would fill the form out and bring it in.

Rebecca told me that she took the "verbal" statement at that point to cancel her voting rights and that Kassandra would be registering her vehicles in Wheatland County. I advised her that the Form Letter had to be received and put in her file in order to prove due diligence on her part. I also explained to her that I needed a copy of that letter in order to complete something else I had to do. I did not tell her what I intended to do as she and Kassandra have been friends for a long time. My next move was on a need to know basis and she did not need to know/as there was the possibility it would have been passed onto Kassandra.

12/14/23 Kassandra also went to the Post Office and gave the same talk to Erica Thorson. Said she needed a bit of time to talk to her Fiance´ and decide if they wanted to pay for a PO box in Ryegate or get one elsewhere as they were planning on moving into the trailer next year.

12/19/23 12:10 PM sent yet another email to Rebecca asking if the letter from Kassandra Wirshcing had been received as it had been over 2 weeks now since our talk about this. See email.

12/21/23 11:16 AM sent Rebecca a 2nd request on above email

NO Response on emails 12/19/23 and 12/21/23. Could mean she had not received back the letter sent out. WHY? Because she has not pushed it if that is the case.

Kassandra Wirsching Blatantly, Deliberately and Intentionally committed 3 cases of fraud in a very short time period. I believe the Fraudulent Child Support order was also initiated in November along with the Voter Registration card acquired and then taking it to the U.S. Post Office and using the fraudulent card to procure the Mail Box she has had since she moved here for FREE. She did not want to pay the fees.

I do not know if she voted in the November election. That would be something you would have to check out with Rebecca Korell at the County Building. **I do not know if she has returned the Letter proving her fake application on the voter registration form.** That is also something else that Rebecca would have to answer for. **Especially since she told me Kassandra came in and admitted she had lied. I do not know if she is paying for the PO Box here or if she has finally advised Erica that she is not keeping the box. Erica also admitted Kassandra came in and talked to her as well and asked for more time.....**That is something you will have to ask Erica about. Due Diligence should have been performed on both accounts here since others knew where Kassandra was actually living at the time.... I am not asking for Rebecca or Erica to be charged with anything; even though they have both been enabling or sanctioning with these actions. This whole ordeal (look at the dates on the emails and log here) has taken well over 1 month and 1 week. Complacency is not acceptable.

There need to be charges filed against her, penalties filed against her and jail time. She has an attitude of entitlement to everything. She committed 3 crimes in the month of November 2023. There is no excuse for her actions other than getting what she feels she wants even if it is illegal.

There is also a question of bigamy with her. On 01/16/2013 she Married Tyler William Stewart under the name of Kassandra Kay Gunther. Married in Josephine County, Oregon. Application #2013-6. I could not find any divorce decree from Tyler, even after paying 3 different agencies to pull full reports. I know you have better resources here than I do. It would be prudent to check on this as this is also a very serious crime.

She has no business being around children. Especially since she separated Victoria (Kyle's daughter) from Marilyn (Stewart is the father of Marilyn) and drove a wedge through their relationship. The damage done here to these 2 children is unconscionable. Kyle already has Victoria in counseling; I just found that out the week before Christmas.

Let us not forget the house stripping she did illegally by taking almost \$4500 to \$5000 of furniture, dishes, appliances, ALL FOOD, Bedding, Bathroom items, ALL of Kyle's personal records (bank account statements – her purchase items would have shown on them due to her using a debit card all the time instead of not paying the bills), ALL of Kyles Social Security records, pay stubs, and any other personal records he had. She took them ALL. Everything was to stay in the house until the divorce decree was available.

She was supposed to be paying ½ of all bills in regards to the Girls according to her own written parenting plans she submitted (several of them). She has paid NOTHING.

How many more crimes does it take before any action is taken. I know you can't do anything about the last paragraphs above; but the FRAUDS are punishable by LAW. Let me know if there is anything else I can provide.

Kind Regards, Charlotte Sainz

Charlotte,

The letter will be sent out this week. We had to wait until the official canvas of the Municipal Election before we were able to add or delete anything from the election program.

We will be scanning the letter we are sending to the computer in the election program.

I thank you again for keeping me current on this situation.

Good Afternoon Rebecca,

Well it has been almost 3 weeks now. Have you sent the letter requiring verification of current utility at the place Cassandra has lied about living in? If not, please explain why.

After I receive your answer I will see if I have to download the State Challenge form and complete it.

Let me know.

Kind Regards, Charlotte

Good Morning Rebecca,

Do you want me to fill out the form indicated in the email below or is the action you are taking requesting a utility bill in her name at this new address she is using sufficient?

Don't take photo copies as evidence on this as she is very good and cutting and pasting.

Let me know.

Subject: [EXTERNAL] Charlotte Sainz - questions on County Residence Laws for Voting

Importance: High

Dear People,

I live in Ryegate, MT 59074 and have some questions about the Laws governing who can vote in a County.

I am registered and everything is fine. Something has happened here that I do not think is legal. There is a person who used to live in Golden Valley County that moved out of this County and into Wheatland County. This person just had their voter registration card changed here to show a residence where they supposedly live. There is no people living at this residence, nor has there been anyone for several years. The property is in her new boyfriend's name, who lives in Wheatland County.

She has bypassed every Law regarding not paying for a P.O. Box when not resided in this Town to now having here residence show an address where no one is living. The Trailer on the property is not even connected to city water or sewer.

Is this not FRAUD. I look forward to your answers.

Kind Regards, Charlotte Sainz
